## A

Accredited certifying agents, 51  
Active fraction, 64  
Aerial seeding, 150  
Agricultural Conservation Easement Program, 14  
Agricultural Conservation Experience Service, 14  
Alar, 4  
Allelopathic compounds, 128, 172, 321  
Annuals, 109, 318, 327  
Augmentation, 276

## B

*Bacillus thuringiensis*, 23, 279  
Bacteria, 62, 279, 300  
Base saturation, 60  
Basket weeders, 338  
Beating tray, 244  
Biennials, 110, 318  
Biodiversity, 6  
Biological insect control, 273  
Biopesticides, 255  
Biorationals  
  disease control  
    microbials, 313  
    minerals, 310  
    spray oils, 314  
  insect control  
    botanicals, 286  
    insect growth regulators, 294  
    insecticidal soaps, 290  
    microbials, 278  
    minerals, 290  
    pheromones, 293  
    spray oils, 289  
    weed control, 346  
Black light traps, 246  
Blind cultivation, 328  
Bone meal, 81  
Bordeaux mixture, 311  
Botanicals

  neem, 286  
  pyrethrum, 287  
  rotenone, 288  
  ryania, 288  
  sabadilla, 288  
Brassicas, 112  
Brush weeders, 338  
Buckwheat, 113  
Buffer zones, 44  
Bulk density, 58, 236

## C

Carbon-to-nitrogen ratio, 67, 111, 112, 119, 135, 223, 235  
Catch crops, 122  
Cation exchange capacity, 58  
Certification, *See Organic certification*  
Certification agencies, 26  
Chain-link harrows, 332  
Chelating agents, 84  
Chisel plows, 95  
Colloidal phosphate, 80  
Compost  
  application rates, 237  
  benefits of compost, 219  
  composting methods, 228  
  composting process, 221  
  limitations of compost, 220  
  nitrogen management, 76  
  organic amendment, 72  
  pile management, 223  
  phosphorous management, 79  
  potassium management, 83  
  properties of compost, 233  
  National Organic Program rules, 217  
  soil fertility, 77  
  teas, 238  
Conservation Stewardship Program, 14  
Conservation tillage, 70, 90, 91  
Conventional tillage, 88  
Cover crops  
  benefits of cover crops, 105  
  building cover crop mixtures, 139  
  cover cropping systems

- insectary mixes, 115
- mixtures, 113
- monocultures, 113
- resident vegetation, 115
- crop rotations
  - interseeding, 131
